EXPLORERS

Welcome, Explorer!

A message from Morfu

Hello!

I am so happy you opened my Explorer Backpack. Inside you will find 24 pages of ocean missions, puzzles, drawing, counting and keepsakes. Choose one page or complete the whole kit. Every mission helps you practise Dolphin Power: careful looking, teamwork and brave exploring.

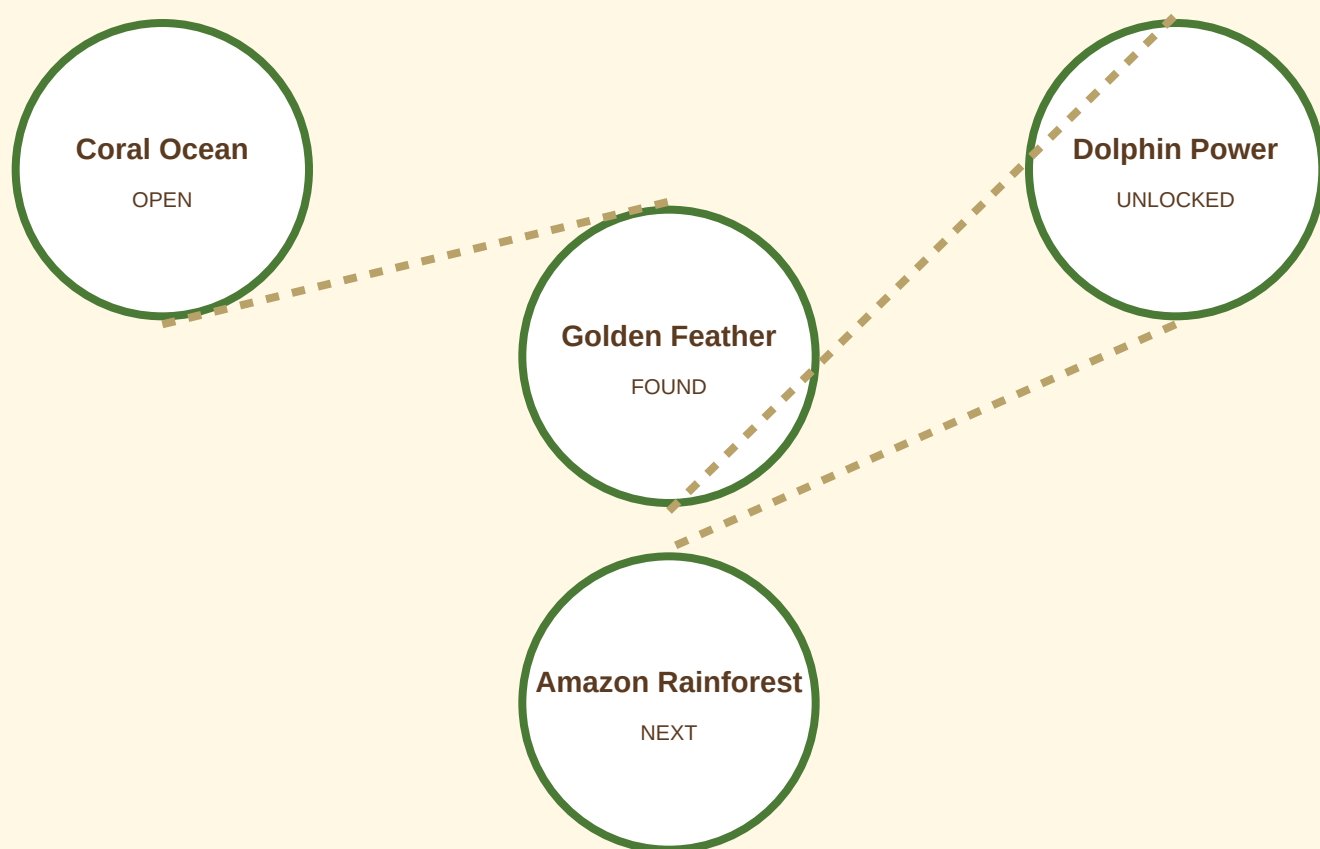

Explorer name: _____

My First Explorer Map

Colour the Coral Ocean stamp when you finish a mission.

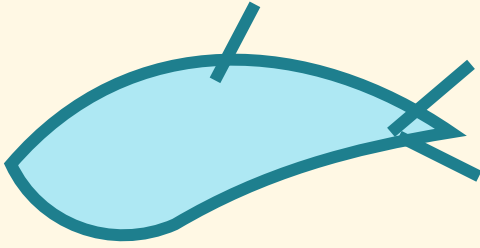

Follow Morfu from the Coral Ocean toward the next adventure. Draw your own path between the circles.

Dolphin Power

Teamwork - careful looking - confident movement

Circle the Dolphin Power skill you want to practise today. Then draw Morfu using that power.

TEAMWORK

LOOK CLOSELY

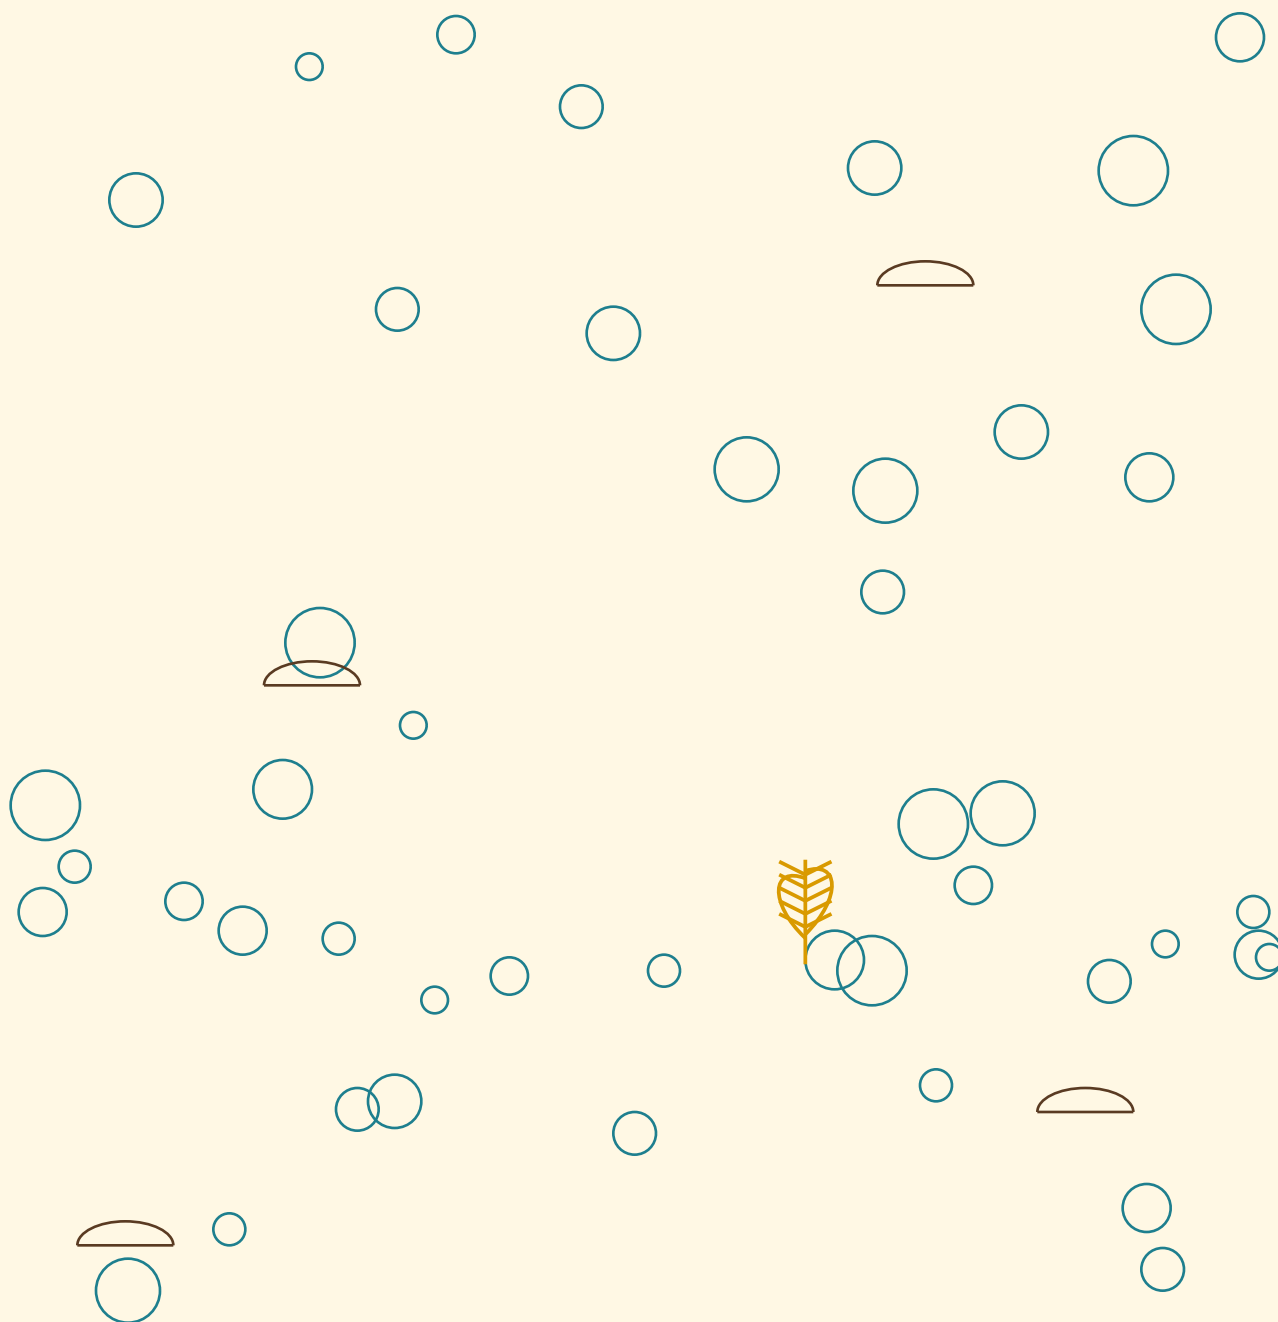

KEEP GOING

Draw Morfu using Dolphin Power:

Golden Feather Mission

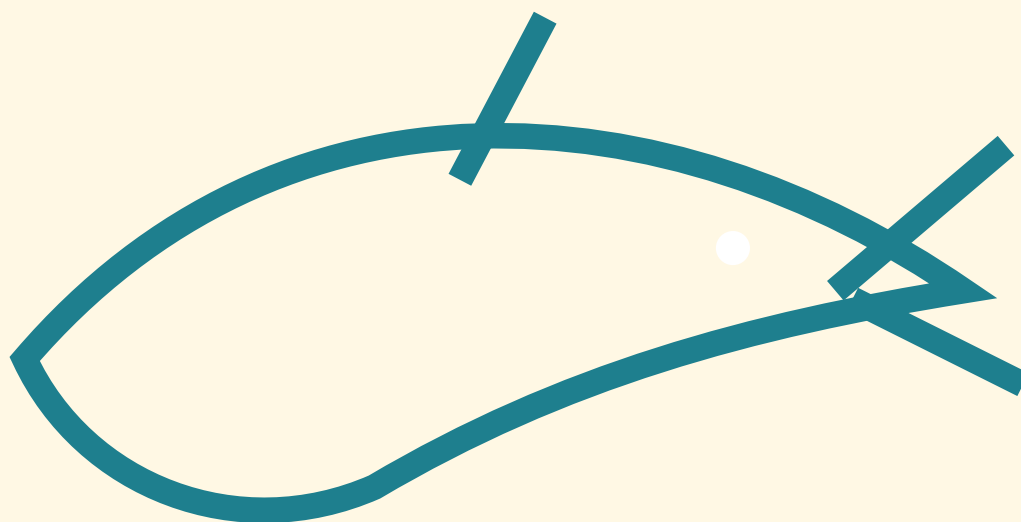

Find and circle the hidden feather.

Look carefully. One Golden Feather is hiding among the bubbles and shells.

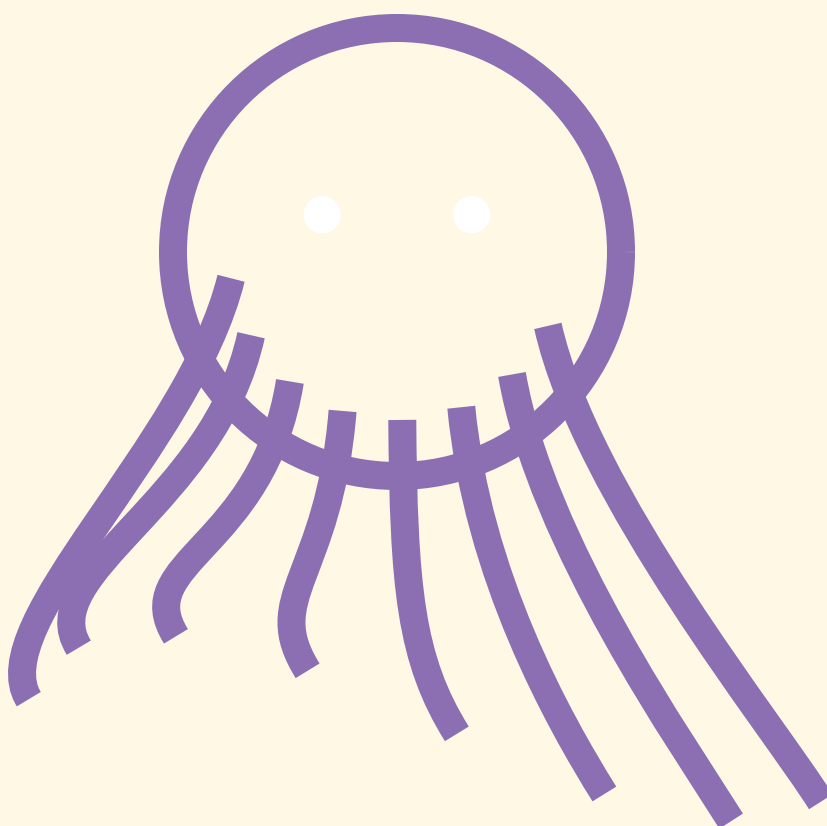

Colour Morfu's Dolphin Friend

Use crayons, pencils or markers.

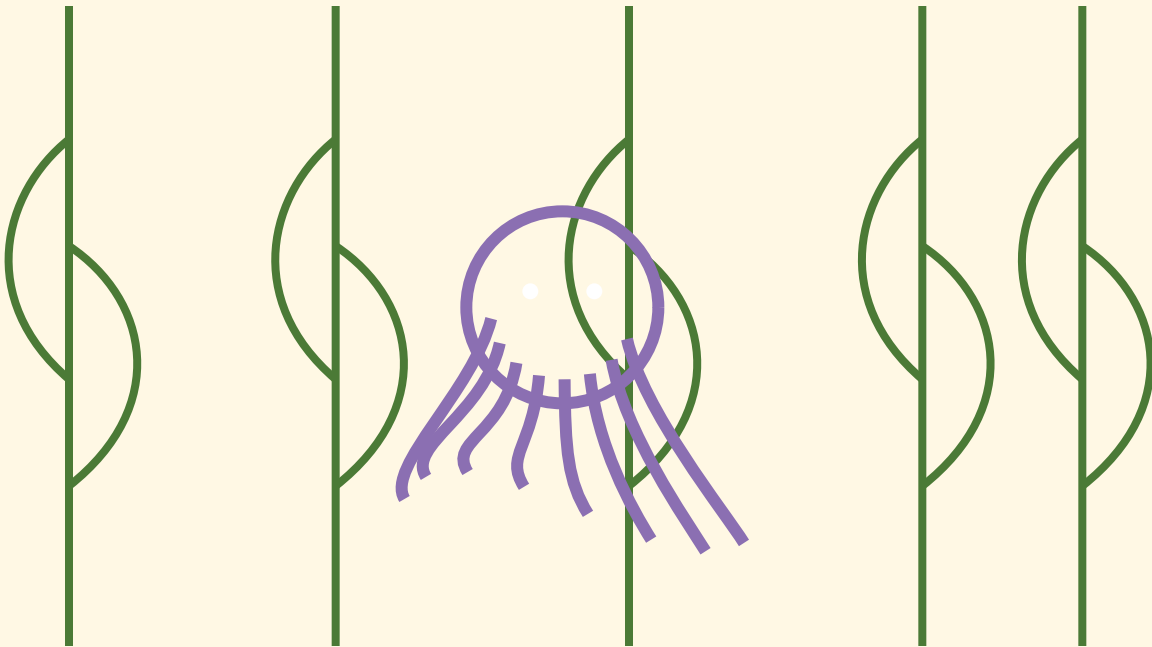

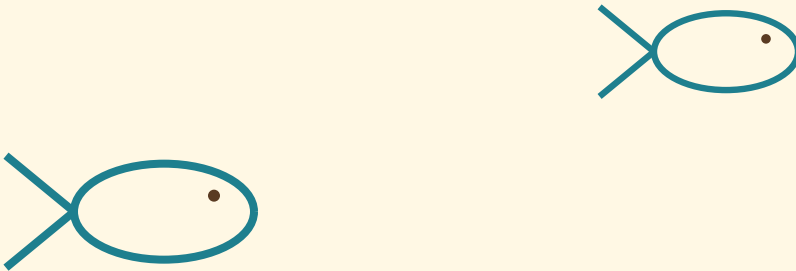

Colour the Little Octopus

Use crayons, pencils or markers.

Colour the Coral Reef

Use crayons, pencils or markers.

Create Your Own Ocean Animal

Use crayons, pencils or markers.

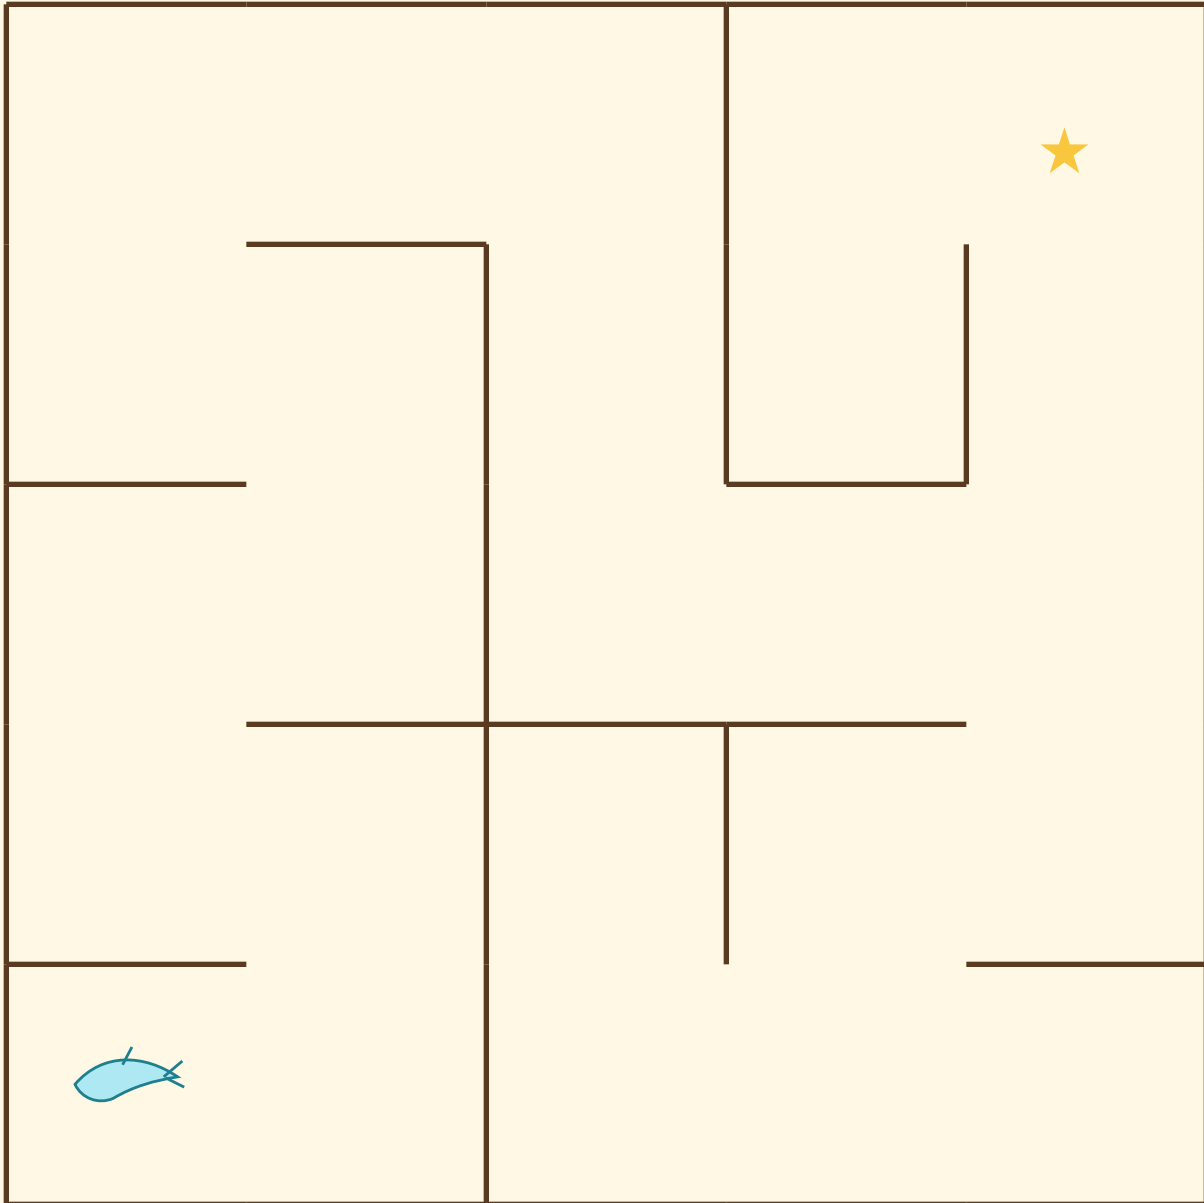

My ocean animal has...

Its name is: _____

Bubble Maze - Easy

Help Morfu reach the star.

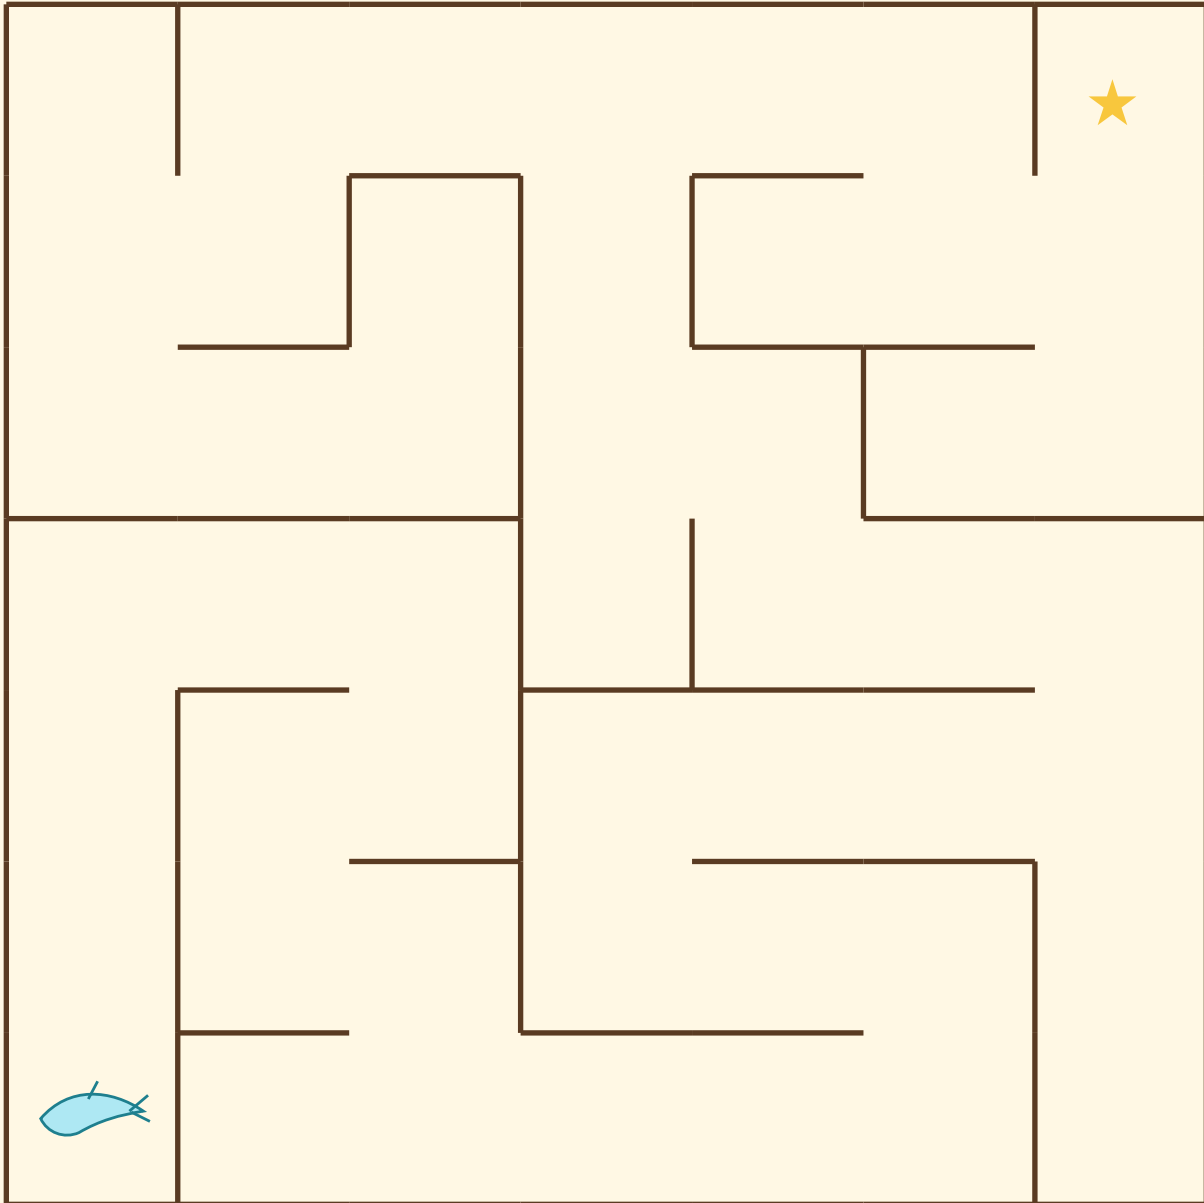

Trace a path through the maze without crossing the walls.

Coral Maze - Medium

Help Morfu reach the star.

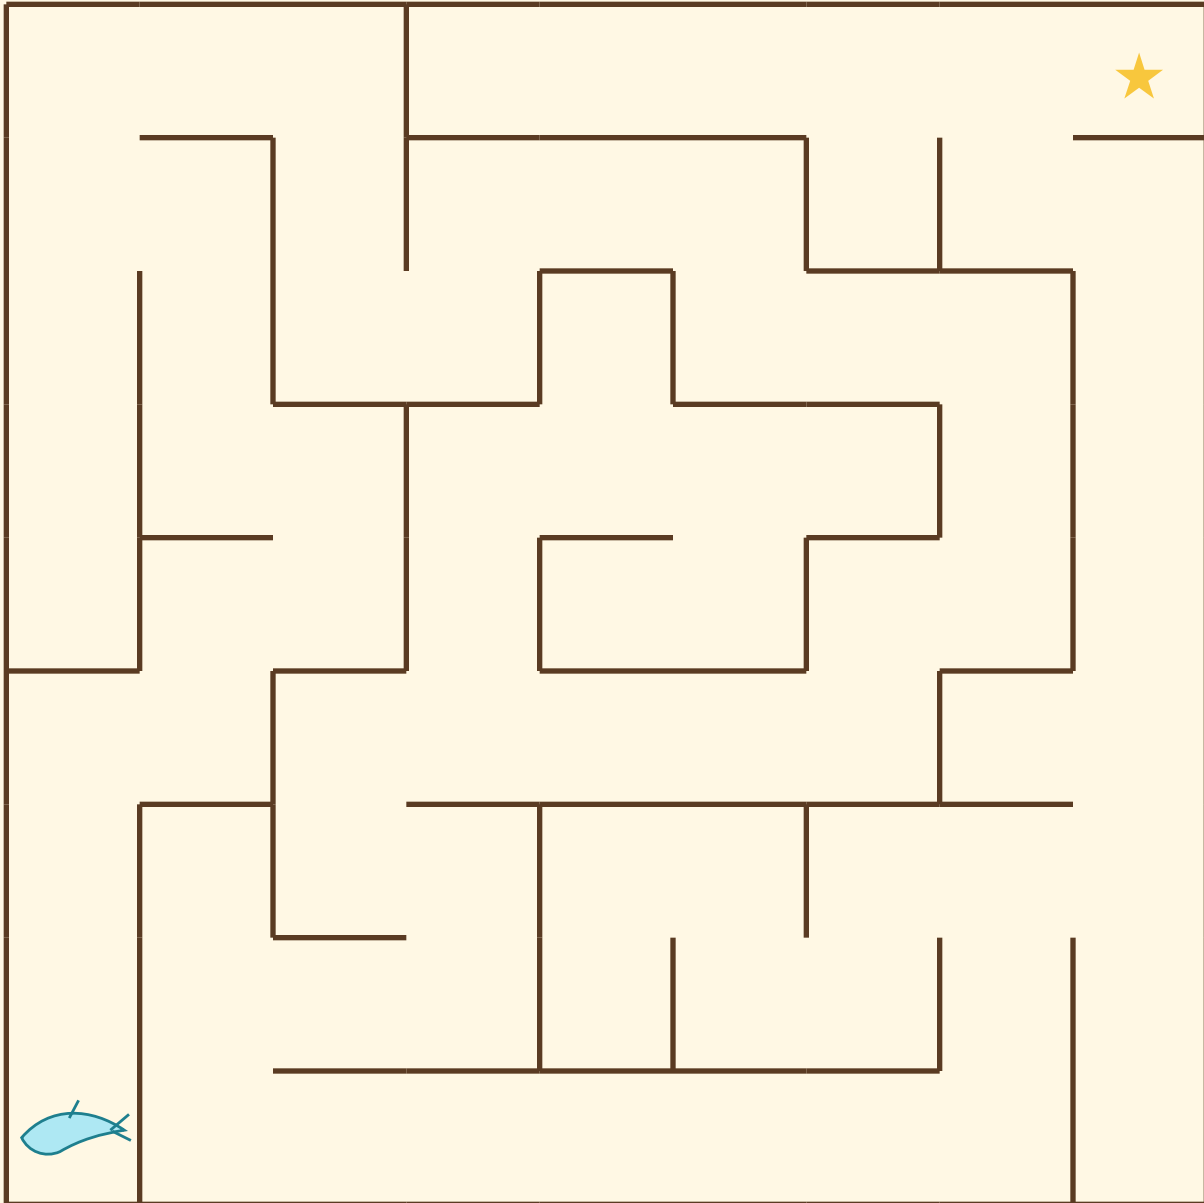

Trace a path through the maze without crossing the walls.

Cave Maze - Explorer

Help Morfu reach the star.

Trace a path through the maze without crossing the walls.

Count the Ocean Friends

Count each kind and write the number.

Look carefully. How many fish, dolphins, octopuses and feathers can you find?

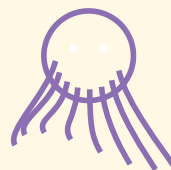

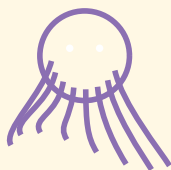

Fish:

Dolphins:

Octopuses:

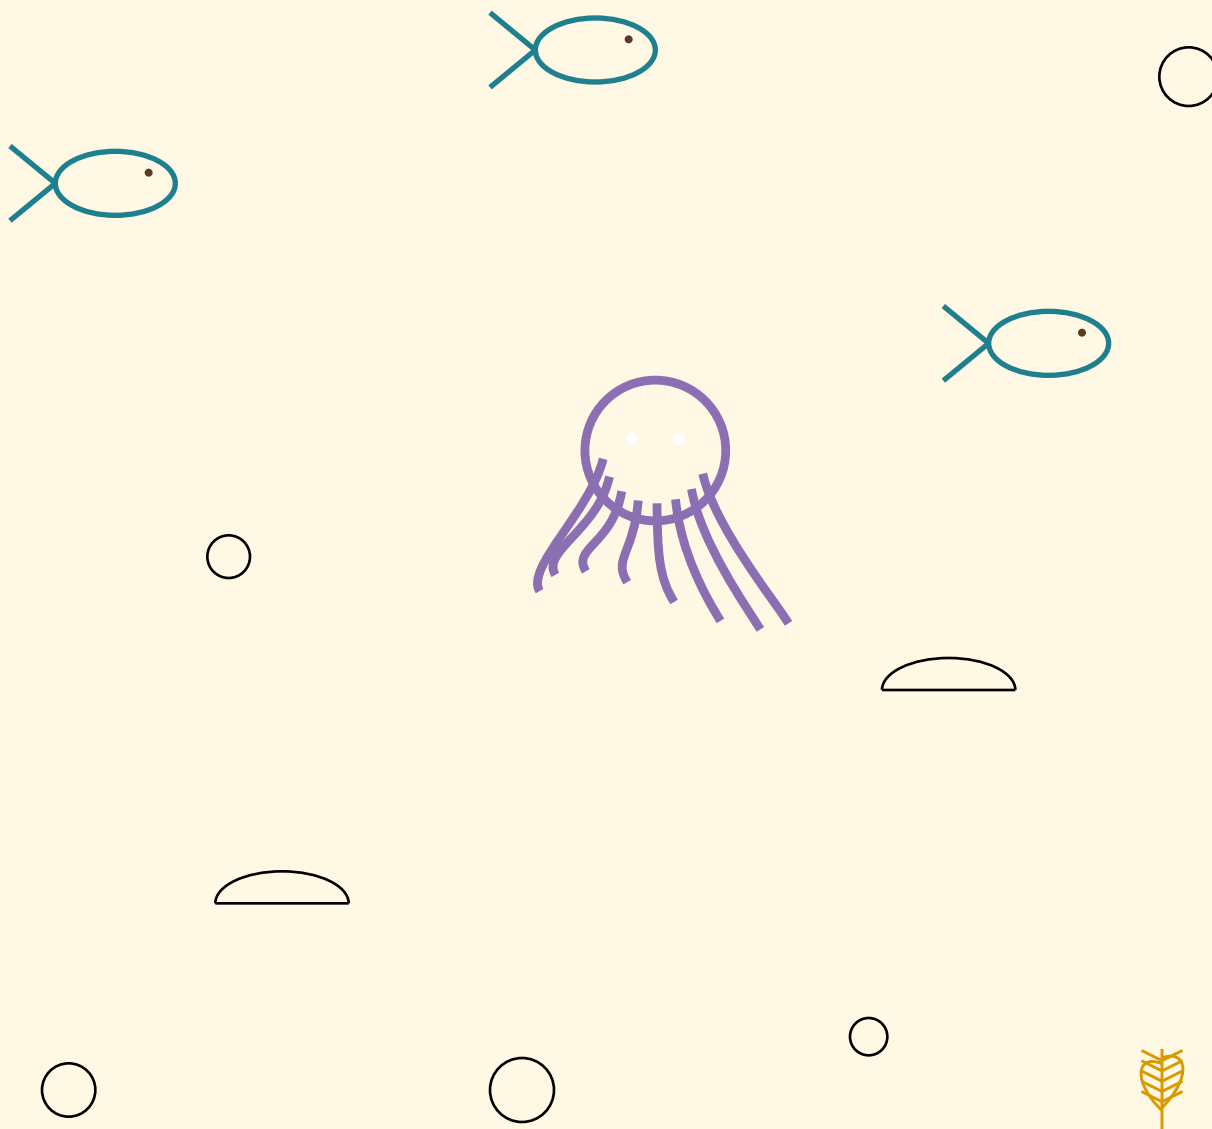

Feathers:

Search and Find

Circle the objects listed below.

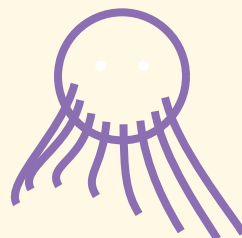

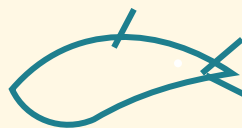

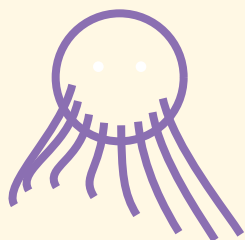

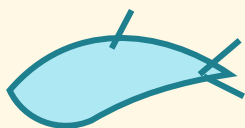

Find: 3 fish, 2 shells, 1 octopus, 1 Golden Feather and 5 bubbles.

Match Each Animal to Its Shadow

Draw a line from each animal to the matching outline.

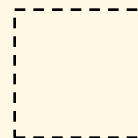

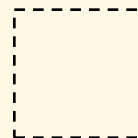

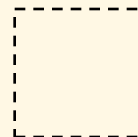

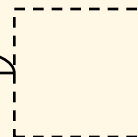

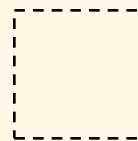

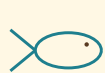

Take your time and look at the shapes.

Finish the Ocean Patterns

Draw the next two shapes.

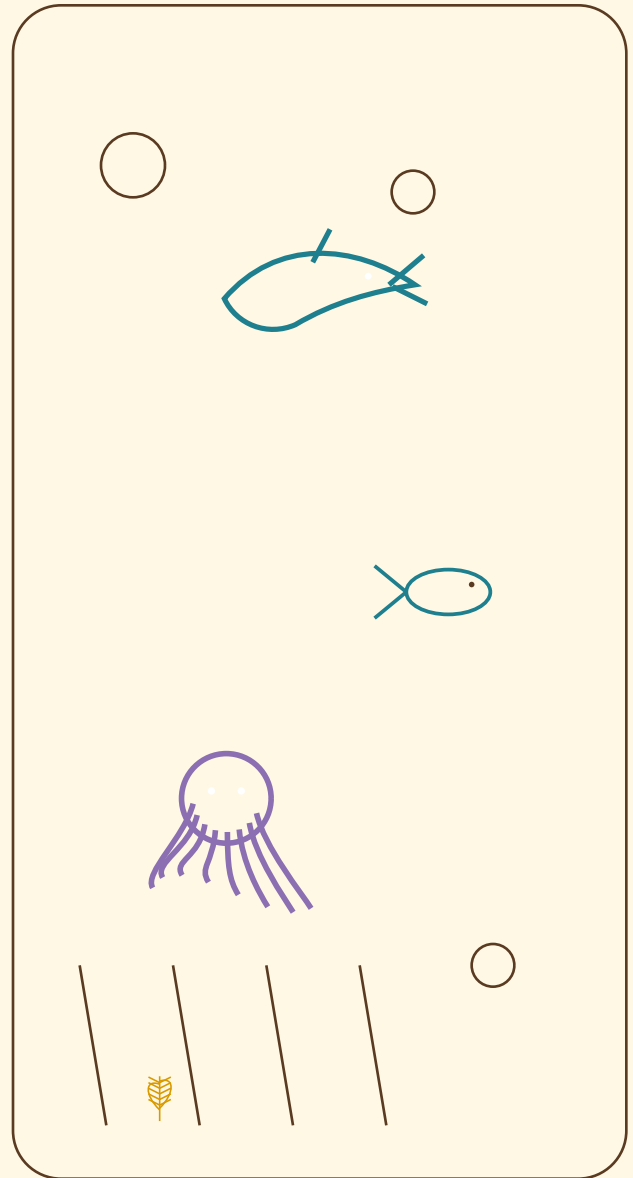

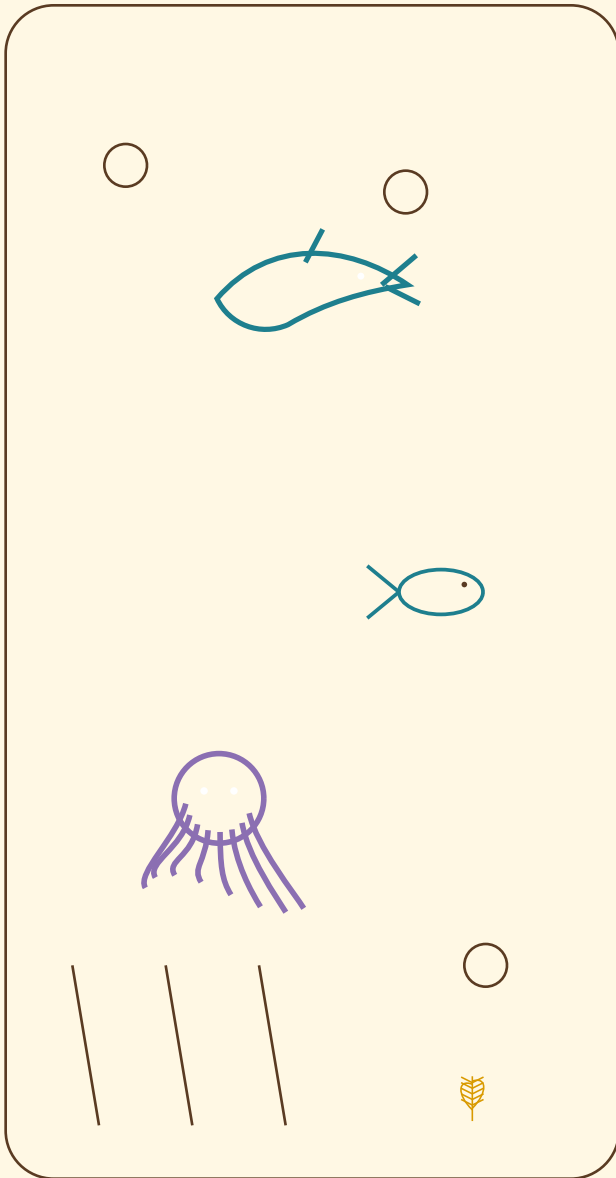

Look for what repeats in each row.

Spot 5 Differences

Compare the two ocean scenes.

Circle five things that are different.

Trace the Ocean Lines

Trace slowly from left to right.

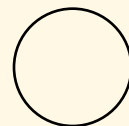

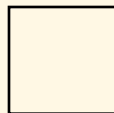

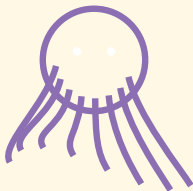

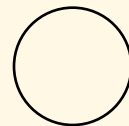

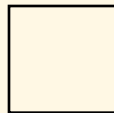

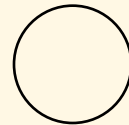

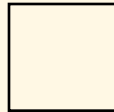

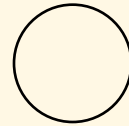

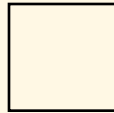

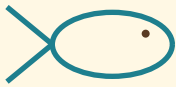

Use a pencil. Try to stay on the dotted path.

Which One Belongs?

Circle the object that belongs in the ocean.

There is one ocean object in each row.

My Explorer Journal

Draw your favourite moment and tell a grown-up about it.

My favourite moment:

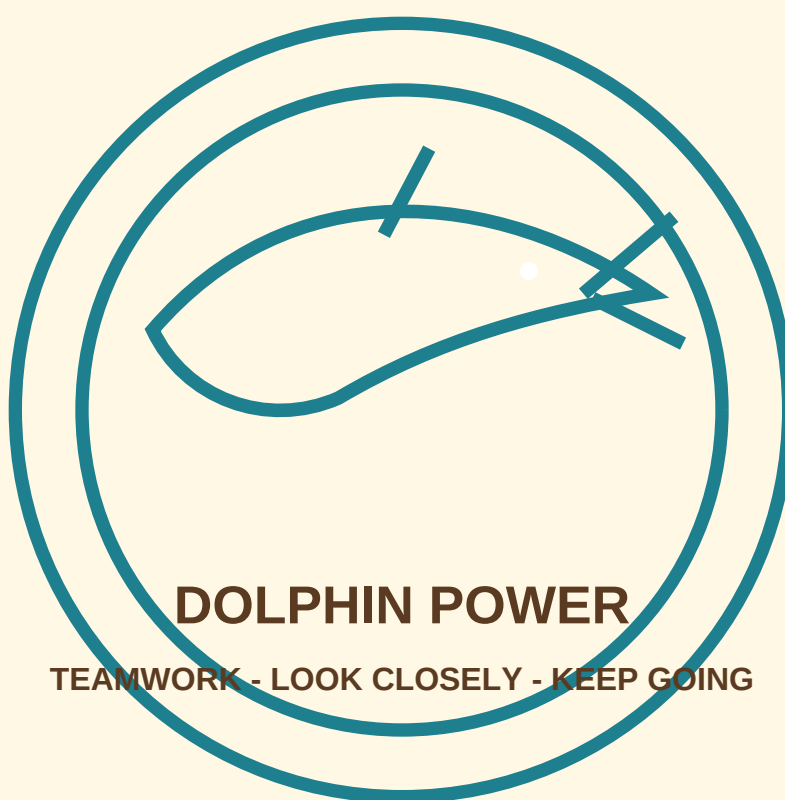

The animal I liked most:

The power I practised:

Something new I discovered:

Dolphin Power Badge

Colour, cut out and keep your first Animal Power badge.

Ask a grown-up for help when cutting.

Explorer Certificate

Awarded for completing Morfu ocean missions.

CERTIFIED EXPLORER

This certificate belongs to

for practising Dolphin Power and helping Morfu explore.

Date: _____

Explorer signature: _____

Explorer Bookmarks

Colour, cut out and use in your next adventure.

KEEP EXPLORING

HELP A FRIEND

Next Mission: Amazon Rainforest

A new friend and a new Animal Power are coming.

Draw what you think Morfu will discover in the rainforest. Add a tree, a hidden Golden Feather and a slow-moving friend.

My next adventure idea: _____
